

Global Climate Partnership Fund

Complaints Management Policy

Date: September 2023

Rationale

A complaint means any expression of dissatisfaction raised by clients and/or investors of Global Climate Partnership Fund SA, SICAV-SIF (“GCPF” or “the Fund”). For the avoidance of doubt, any Partner Institution as defined in the Issue Document of the Fund, dated May 2023 and visa stamped by Commission de Surveillance du Secteur Financier (“CSSF”) on 23 May 2023, as amended from time to time, (“Issue Document”) is considered a client for the purpose of this document. Effective complaint handling offers many practical benefits to the Fund and helps to improve the quality of services. Complaints provide evidence of faulty decisions and poor service delivery. In light of this, the Fund makes all the possible efforts to conduct business in a manner that avoids clients’ and investors’ complaints. Clients and investors should be ensured that their complaints are easy to report, acknowledged and dealt with quickly, fairly and sensitively. In order to preserve and enhance its reputation, the Fund should identify dissatisfied counterparties and work out methods of resolving their complaints.

Policy

In order to ensure that complaints are handled properly and resolved promptly while always meeting the clients’ and investors’ interests, the Fund has set up a Complaints Management Policy whereby:

- a) All clients and investors are given the opportunity to raise their complaints;
